HONOUR ROLL INDUCTEE • SUSAN DE CARTIER

“Thank you to the MMF for this honour! I have been tremendously fortunate to turn my love of music into a career and am honoured to be receiving the same award as the incredible managers - and mentors - that have come before me.”
- Susan de Cartier

Susan de Cartier started out in New York City as a legal assistant working towards law school when a chance meeting on a plane to Toronto changed her trajectory. Come hear the story and how Susan's career in artist management began, working with Blue Rodeo and Crash Vegas at The ACT/Risqué Disque in Toronto.

Her company Starfish Entertainment formed in 1995, which has been involved in the creation and release of more than 50 amazing albums, collectively sold over 5 million copies, coupled with countless concert tickets for artists including Blue Rodeo, Jim Cuddy, The Sadies, Oh Susanna, Skydiggers, Greg Keelor and Harrow Fair.

Over the course of her 30-year career, Susan has guided Blue Rodeo on to become one of the most successful bands in Canadian history garnering 12 Junos, a Star on the Walk of Fame and membership in the Canadian Music Hall of Fame. Her Starfish Entertainment company boasts a smart, tight-knit, and loyal staff, managing The Woodshed recording studio in addition to her longtime clients.

Well respected in the artist and industry community at large, Susan also gives back through her time and contributions on the MMF and OMDC board positions.

BANNER YEAR AWARD • DANIEL CAESAR, MATTHEW BURNETT & JORDAN EVANS

Sponsored by SOCAN Foundation

No one can deny the meteoric rise of Canadian, Juno winning, Grammy-nominated R&B and soul singer-songwriter Daniel Caesar this year. After independently building a following through the release of two critically acclaimed EPs Praise Break and Pilgrim's Paradise, Caesar released his debut album Freudian in August 2017, which also garnered widespread critical acclaim. Co-managers Jordan Evans and Matthew Burnett developed Daniel and also co-produced the entirety of his album Freudian and were Juno Producer of the Year nominees. Freudian featured #1 Urban AC hit 'Get You', #1 iTunes R&B/Soul Album and Apple "Up Next" support, Spotify "Spotlight", TV performances on The Late Show with James Corden, Late Night with Seth Myers, The Juno Awards, and a performance with Chance the Rapper on Stephen Colbert. Heck, two songs, "Get You, First World Problems," even made it on Obama's year-end list. His debut world tour is selling out everywhere, including a 5-night run in his hometown of Toronto at Danforth Music Hall.

"On his debut album, Toronto R&B singer Daniel Caesar looks to gospel for a roadmap to the complexities of romantic love"

- PITCHFORK

Daniel Caesar

"Breathtaking talent"

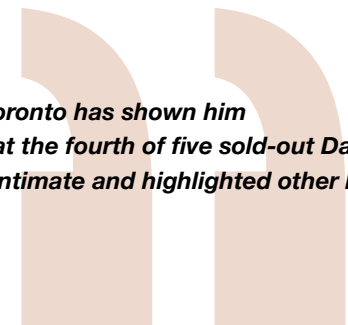

The 22-year-old curates an intimate, magical set that feels inherently personal

- INDEPENDENT UK

"Daniel Caesar returned the love Toronto has shown him

An arena tour feels inevitable, but at the fourth of five sold-out Danforth shows the golden boy kept things intimate and highlighted other hometown talent"
