A MESSAGE FROM THE PRESIDENT

Dear Guests,

On behalf of our Board of Directors, I would like to offer heartfelt congratulations to our 2012 Honour Roll Recipient, Larry Wanagas, and our 2012 Pioneer Award Recipients, Donald Tarlton and Terry Flood.

The Music Managers Forum Canada is a trade association that provides education, networking and advocacy on behalf of its members and their artists. We strive to provide opportunities across Canada and around the world for managers, artists and the industry at large to connect, learn, and build business opportunities. We host workshops, panels, mixers, and our flagship event now in its 6th year - the Honour Roll Reception.

Each year, the MMF Canada Honour Roll Award is presented to recognize outstanding achievements and excellence in Canadian and international Artist Management. The Pioneer Award is presented to those who have been instrumental in creating the framework for Artist Management in the Canadian Entertainment industries.

Larry, Donald and Terry, we feel privileged to have the opportunity to honour you tonight. We thank each of you for the outstanding contributions you have made to our industry, and to our profession.

A warm thank you also goes out to all of our Guests, Sponsors, the Honour Roll Committee, the Bymark Restaurant, and the many others who have contributed to tonight's success.

A MESSAGE FROM THE HONOUR ROLL COMMITTEE

Dear Guests,

It is with great pleasure that we welcome you to the Music Managers Forum Canada's 6th Annual Honour Roll Reception. We are honoured to be joined by three of our country's most innovative and inspirational music managers and we recognize their contribution tonight: Larry Wanagas, Donald Tarlton and Terry Flood.

The Honour Roll Award is presented each year to recognize outstanding achievements and excellence in Canadian and international Artist Management. Tonight, Larry Wanagas of Bumstead Productions will join previous inductees Bernie Finkelstein (2007), Bruce Allen (2008), Ray Danniels (2009), Sam Feldman (2010) and Terry McBride (2011). Launched in 2010, the Pioneer Award is given to individuals who have been instrumental in creating the framework for music management in the Canadian entertainment industries. Tonight, Donald Tarlton and Terry Flood are proudly presented as a Pioneer duo, joining Leonard Rambeau (2010) and Mary Martin (2011).

As part of this annual induction, MMF also presents each award recipient with an Emeritus Membership and a honorary donation to the recipients' charities of choice. This year, Larry has chosen the Unison Benevolent Fund, and Donald and Terry have chosen La Fondation Gilead Jubilation/The Gilead Jubilation Foundation.

We would like to take a moment to thank our supporters without whom this event would not be possible: Slaight Music, Slacker Canadian Music Week, World Vision Artist Associates, our Board of Directors and you, our members and guests.

We truly hope you enjoy this evening as we pay tribute to Larry Wanagas, Donald Tarlton and Terry Flood and welcome them into the MMF Canada family.

Regards,

A MESSAGE FROM DONALD K TARLTON

Bonjour.

Although the word “pioneer” has a Davey Crocket type feel, it is indeed gratifying to join the ranks of the “Legendary Past Honourees,” who were in their own right “Kings of a Wild Frontier.”

It is also extremely gratifying for me to share this honour and stage with Terry Flood.

Terry has been a great friend, mentor and concerned business associate throughout my career. He has great ears and a super eye for talent. One of his specialties is the international market place where his unique personality and people caring demeanor helped him build a great rolodex of influential music executives many of whom are today the leaders of our industry.

My other careers as Concert/Producer/Promoter and Record Company owner were time demanding however their close proximity to the business of managing young exciting talent allowed me over the years to invest, support and go into business with many young management entrepreneurs.

The music industry is once again in transition and the most important players are the artist managers of today and tomorrow. Many of them will now become acting CEOs of their clients’ “all revenues- in” corporations and be charged with the responsibilities to navigate a successful path for these clients in an ever-changing environment.

What goes around comes around. My advice to all is - pay attention, listen well, work hard, work happy, be passionate, be positive, and above all believe in yourself and your client. Work like you don’t need the money, dance like nobody’s watching and never quit with your best still in you... as the famous slogan goes - “Just Do It!”

Enjoy your evening and accept my thanks for allowing me to be here to join the applause for the truly deserving Terry Flood!

Sincerely,
Donald K Tarlton CM

A MESSAGE FROM TERRY FLOOD

Dear members,

I am very honoured to be added to the impressive list of inductees.

In looking back to '69 when Donald and I entered the management business with our first client Mashmakhan who we signed to Columbia Records it seems like the business has gone full circle. We were two cocky young guys who thought they were wasting their energies trying to get the major to back our ideas so we started our own Record Company.

We were in good company back then as Cancon was just coming in and there were a number of other young managers doing the same thing - Bernie Finkelstein (True North), Ray Daniels (Anthem), Al Mair (Attic) and Mel Shaw (MCW)

We were all doing what today is referred to as 360 deals. I guess you could say we were all ahead of our time by about 40 years.

I have enjoyed my years in this crazy business and I would like to thank the Artists that we were involved with over the years: Mashmakhan, April Wine, Teaze, Sass Jordan and Corey Hart

I would also like to thank the people who most influenced me over the years of course starting with Donald and my mentor Brian Chater who taught me the business, Deane Cameron for his expertise and Bruce Allen for his friendship and advice.

Sincerely,
Terry Flood

A MESSAGE FROM LARRY WANAGAS

I am thrilled to be included in the prestigious company that the MMF Honour Role provides.

Having managed artists for over 30 years I consider myself fortunate to still enjoy my work after all this time and for the friends that I have made in the business.

I am fortunate to have had a taste of how the business “used to be” through my early years as k.d. lang’s manager. That experience allows me in great part, to carry on in what we are calling the “new model”.

I appreciate the vision and hard work invested by many over the years into what we now know as the Canadian Music Industry. We truly have a unique opportunity in Canada to discover and develop new talent.

Thank you to the Music Managers Forum for this honour.

Best Regards,
Larry W. Wanagas
